

- Couldn't create the other website on such short notice so I thought of using one of mine that I had.
 - Open with Live Server
 -
 - Was to add text on hover on the images at the destination page
 - I could have but time is not on our side
 - I made this website kitambo so I don't think it aligns with the gestalt principles feel free to change to make it in alignment with them ama tell me I see if I can change -
- If the presentation is tomorrow, sitaweza kumake I have an important medical appointment
